Corporate Rapport Training

Rapport Training is ideal if you want to …

Promote better teamwork

Calm down angry customers

Generate trust

Make the customer feel more "listened to"

Make your workforce more productive

The one day corporate Rapport training offered by us will help you have better relationships with your customers, and it will promote better teamwork.

It can be held in your own offices, or in an external training room, and can be held as one full day session or in two half day sessions.

It covers

- What is Rapport and why do you need it?
- The benefits of using it
- The elements of Rapport
- Physiology - how we can use the body to create rapport
- Tonality
- Words that we use
- The importance of subtlety
- Pacing and Leading
- Group Rapport
- Spotting the Rapport leaders in a group

We can tailor the course specifically around your environment and needs if you prefer - contact us now for more information.

Course Costs

£397 per person (up to a maximum of 10 people) or alternatively book the whole session of 10 people for just £3497 - **a saving of £500!**
